We are planning a trip to the Black Country Museum in Dudley, West Midlands on Friday 5 May 2017. This is an outdoor/indoor museum charting the rise of local industries which, by innovation, became nationally and internationally important. The grounds include restored factories, housing and streets, as well as canals and other waterways.

We shall leave Fairford at 9.00am, and return at 3.30pm, arriving in Fairford at around 5.00pm.
